

Dear Friend of Agriculture:

I am writing to ask that you join the Pennsylvania State Council of Farm Organizations (PSCFO) for 2015.

Why such as early notice for next year? **IF YOU JOIN NOW, YOU WILL BE A FULL MEMBER IN 2015 AND GET THE REST OF 2014 INCLUDED!**

PSCFO combines the shared interests of many agricultural associations and businesses into an umbrella organization which provides:

- The Cornucopia, Pennsylvania's premier agriculture/legislative reception in Harrisburg held in February which drew 100 legislators and staff in 2014
- A common voice on areas with broad agreement such as agricultural research funding, property tax exemption for hoop (tunnel) buildings and repair of rural bridges
- Quarterly programs of interest to the Agricultural Community on such topics as Food Safety, the Federal Farm Bill, feral hog issue, EPA's attempt at redefining 'Water' to include all of PA's farmers under its jurisdiction, and more
- Periodic meetings with the Secretary of Agriculture and top PDA officials
- Complete listing in the Agricultural Directory which is distributed across the industry and to a range of public officials

Dues at \$150.00 per year are modest and the benefits are significant.

Please take advantage of the resources PSCFO offers by joining. .

Sincerely,

Vince
